The Parties anticipate that disbursements from the Endowment Fund will be made available by the Endowment Holder to the Property Owner to fund annual long-term management of the Bank Property as anticipated in the Long-term Management Plan and estimate of costs in accordance with the Endowment Agreement.
- iv. Notwithstanding Probate Code sections 18501-18510, in the event either (a) the value of the Endowment Fund has decreased to levels that may threaten its continued existence as a source of perpetual funding for long-term management, whether due to unexpected investment performance or otherwise; or (b) if long-term management expenses exceed those estimated in the Endowment Fund Analysis and Schedule (**Exhibit D-2**), long-term management expenses the Property Owner shall consult with the IRT and the Grantee to identify the most effective means to implement the management measures and tasks with the resources available. Property Owner shall submit a proposed temporary revised Long-term Management Plan and Endowment Fund Analysis in writing to the IRT and Grantee within 60 calendar days after completion of Property Owner's consultation with the IRT and Grantee. Upon written approval of the temporary revised Long-term Management Plan by the IRT and any required notification to the Endowment Holder, in accordance with the Endowment Agreement, the Property Owner shall implement the approved revised management measures and tasks. The original Long-term Management Plan shall be restored in full force and effect upon expiration of the temporary revised Long-term Management Plan or sooner if the circumstances in subsections (a) or (b) above, as the case may be, cease to exist.

3. Financial Records and Auditing

- a. Bank Sponsor and Property Owner are required to maintain complete and accurate financial records relating to the operation of the Bank for which it is responsible, using generally accepted accounting principles (GAAP), developed by the Federal Accounting Standards Advisory Board. At the request of the IRT, no more frequently than annually, the Bank Sponsor and Property Owner shall each have its financial records relating to the operation of the Bank audited by an independent licensed Certified Public Accountant and shall submit the auditor's report to the IRT upon completion.
- b. The IRT or their designated representatives shall also have the right to review and copy any records and supporting documentation pertaining to the performance of this BEI. Bank Sponsor and Property Owner agree to maintain such records for possible audit for a minimum of three years after Bank closure, or three years after the date of performance, whichever is later. Bank Sponsor and Property Owner agree to allow the auditor(s) access to such records during normal business hours and to allow interviews of any employee or representative who might reasonably have information related to such records. Further, Bank Sponsor and Property Owner agree to include a similar right of State and federal auditors to audit records and interview employees and representatives in any contract related to the performance of this BEI.

F. Remedial Action Plan

1. Prior to Bank closure, if any Party discovers any failure to achieve the Performance Standards or any injury or adverse impact to the Bank Property as Preserved, restored, or enhanced, and the IRT does not determine that such damage is a result of Extraordinary Circumstances, the Party making the discovery shall notify the other Parties. The IRT may require the Bank Sponsor to develop and implement a Remedial Action plan to correct such condition, as described below. The annual report required under Section IX.B shall identify and describe any Remedial Action proposed, approved, or performed and, if the Remedial Action has been completed, evaluate its effectiveness.
2. Within 60 calendar days of the date of written notice from the IRT, the Bank Sponsor shall develop a Remedial Action plan and submit it to each member of the IRT for written approval. The Remedial Action plan must identify and describe proposed actions to achieve the Performance

The Bank Sponsor shall, at Bank Sponsor's cost, implement the necessary and appropriate Remedial Action in accordance with the Remedial Action plan approved by the IRT.

3. If (a) the Bank Sponsor fails to develop a Remedial Action plan and submit it to each member of the IRT or to implement Remedial Action identified by the IRT, in accordance with this section, or (b) a Remedial Action plan is agreed upon and implemented, but the conditions do not satisfy the plan's objective and measurable Performance Standards by the dates specified in the plan, then the IRT may find the Bank Sponsor in default pursuant to Section XII.E and take action accordingly.
4. If the IRT determines that the Bank is operating at a Credit deficit (i.e., that Credit Transfers made exceed the Credits authorized for release, as adjusted in accordance with this BEI), the IRT shall notify the Bank Sponsor of its default pursuant to Section XII.E, and take action accordingly. Upon receipt of notification, Bank Sponsor shall cease Credit Transfers immediately and is not authorized to resume Credit Transfers until notified in writing by the IRT.
5. If there is damage to the Bank Property as a result of Extraordinary Circumstances, the provisions of Section XII.A apply.

2. An updated Credit Transfer ledger, in hard copy and in editable electronic format in the form provided at **Exhibit F-3**.

D. Reporting Compliance Measures

1. Annual reports not received by the IRT will result in automatic Credit Transfer suspension effective the 30th day that the report is past due. The suspension will be lifted within 10 calendar days after the IRT receives a complete annual report.
2. If the Bank Sponsor has been notified by the IRT of an incomplete report, the IRT will then notify the Bank Sponsor of the date by which the report must be made complete.

Section X: Responsibilities of the Bank Sponsor and Property Owner

- A. Without limiting any of its other obligations, including without limitation, under the Conservation Easement, Bank Sponsor and Property Owner each hereby agrees and covenants that during the time the Bank is in operation, prior to Bank closure:

 5. It shall not discharge or release on, to or from the Bank Property, or permit others to discharge or release on, to or from the Bank Property, any material, waste or substance designated as hazardous or toxic or as a pollutant or contaminant under any Federal, state, or local environmental law or regulation (each a “Hazardous Substance”).

6. Property Owner shall not create or suffer any lien or encumbrance upon the Bank Property other than as set forth in the Property Assessment and Warranty approved by the IRT. Property Owner shall not execute, renew, or extend any lien, lease, license, or similar recorded or unrecorded right or interest in the Bank Property without the prior written consent of the IRT and the Grantee, if a Conservation Easement has been granted.
 7. It shall not construct or install any structure or improvement on, or engage in any activity or use of, the Bank Property, including mineral exploration or development, excavation, draining, dredging, or other alteration of the Bank Property that is prohibited by, or not consistent and in accordance with this BEI and its Exhibits.
 8. Bank Sponsor shall ensure that the Bank Property is managed and maintained in accordance with the Interim Management Plan, this BEI and its Exhibits.
 9. Property Owner shall allow, or otherwise provide for, access to the Bank Property by Bank Sponsor, Grantee, the IRT agencies and third parties, as described in the Conservation Easement.

 11. Property Owner shall ensure that the Bank Property is managed and maintained in accordance with the Long-term Management Plan, this BEI, and its Exhibits.
- B. Reasonably foreseeable technical problems, or unanticipated or increased costs or expenses associated with the implementation of actions called for by this BEI, or changed financial or business circumstances in and of themselves shall not serve as the basis for modifications of this BEI or extensions for the performance of the requirements of this BEI.
- C. An extension of one compliance date based upon or related to a single incident shall not extend any subsequent compliance dates.

Section XI: Responsibilities of the IRT

A. IRT Oversight

Subject to the “Availability of Funds” provision of this BEI, the IRT agrees to oversee the performance of this BEI.

B. IRT Review

The members of the IRT will make a good faith effort to review the annual reports and Remedial Action plans within 60 calendar days from the date of receipt of complete submittal. If any member of the IRT is unable to complete its review within the time specified in this section, this fact will be reflected in any schedule established for performance of Remedial Action and any evaluation of timely performance of Remedial Action by Bank Sponsor.

C. Compliance Inspections

The IRT shall conduct compliance inspections for any purpose(s) it determines as necessary to assess compliance with this BEI.

Section XII: Other Provisions

A. Extraordinary Circumstances

1. The Bank Sponsor, Property Owner and IRT in its review of the BEI, have made a concerted effort to identify the preservation, restoration and management measures for the Bank Property, including Adaptive Management, necessary to qualify as compensatory mitigation for Waters of the U.S., Waters of the State, Covered Species, and Covered Habitat and to manage and maintain these resources in perpetuity. However, the Parties recognize that there may be a rare event (an Extraordinary Circumstance) in which the Bank can no longer serve its intended purpose as compensatory mitigation, in whole or in part, for the specific resources for which it was established. An Extraordinary Circumstance of this type may lead to Bank Sponsor and/or Property Owner being relieved of some or all of its obligations under this BEI. The Parties agree that the IRT will consider whether it is appropriate to relieve any obligations under the process outlined below:
 - a. If the Bank Sponsor or Property Owner believes that an Extraordinary Circumstances event has taken place that Party shall send written notification to the IRT agencies as promptly as possible, but no later than 14 calendar days following the date of discovery of the event. The Party sending the notification (invoking)

will fully describe the nature of the Extraordinary Circumstances event, its effect on the Party's performance of the obligations under this BEI, the habitat values affected by the event, and any expected timeframe of non-performance attributable to the Extraordinary Circumstances event. As promptly as reasonably possible after providing notification, the Party invoking Extraordinary Circumstances shall meet with the IRT agencies to discuss whether the event qualifies as an Extraordinary Circumstance. The Party invoking Extraordinary Circumstances shall bear the burden of demonstrating that Extraordinary Circumstances have occurred. Until such time the IRT agencies determine whether the event qualifies as an Extraordinary Circumstance and whether it is appropriate to suspend performance pursuant to Section XII.A.1.d, the Property Owner or Bank Sponsor shall continue to manage and maintain the Bank Property to the fullest extent practicable consistent with this BEI and other applicable documents.

- b. If the IRT agencies concur that an Extraordinary Circumstances event has taken place, such agencies will provide written notification to the Bank Sponsor or Property Owner. Within 14 calendar days of notification of concurrence from the IRT agencies that Extraordinary Circumstances have occurred, or on a date mutually agreed upon by all Parties, the Parties will meet to discuss the course of potential action to be taken in response to such occurrence, including potential Remedial Action as defined in Section II and potential suspension of Performance Standards as described in Section XII.A.1.c. Remedial Action in such circumstances may include, but is not limited to, restoration of the Bank Property, out-of-kind improvements on the Bank Property, a smaller restoration on the Bank Property (taking into account the diminution of habitat values across the Service Area), improvements to another property, or the purchase of credits from another bank. Once approved by the IRT, the Party invoking Extraordinary Circumstances shall carry out the Remedial Action within a mutually agreed upon timeframe.
- c. If the Bank Sponsor or Property Owner is prevented from or delayed in performing an obligation under this BEI by Extraordinary Circumstances that commences after the Bank Establishment Date, the IRT may suspend the Bank Sponsor and/or Property Owner's obligation to perform, as well as the ability of the Bank to provide any remaining Credits released, but not yet Transferred, as compensatory mitigation.

- d. Following the meeting discussed in Section XII.A.1.b. to consider potential actions to be taken in response to the event, the IRT agencies will, in writing, (1) inform the Property Owner or Bank Sponsor as to what, if any, performance is suspended, and (2) direct the Property Owner or Bank Sponsor as to what specific Remedial Action is required. The Bank Sponsor or Property Owner will continue to perform all other obligations that are not suspended.
 - e. Within 60 calendar days of notification described in Section XII.1.d., or by a date mutually agreed upon by all Parties, the Party invoking Extraordinary Circumstances will submit to the IRT, in writing, the implementation plan to meet the required Remedial Action. At a minimum, the Remedial Action will be sufficient to ensure that the habitat values which underlie all previously Transferred Credits will be supported.
 - f. If the Remedial Action agreed upon and implemented do not meet an agreed upon objective or standard within the agreed upon timeframe, the Bank Sponsor or Property Owner and the IRT will reconvene to evaluate if alternative Remedial Action would be appropriate.
2. Failure to act in good faith to participate in the process outlined above in Section XII.A.1 or to implement any IRT-approved Remedial Actions shall be a default under this BEI.
 3. In accordance with Section VIII.B.4 of this BEI, the IRT agencies may, at their discretion, direct Bank Sponsor to suspend the Transfer of Credits, prohibit the release of additional Credits, and/or reduce the number of Credits allocated to the Bank in proportion to such damaged area unless and until the Bank Sponsor has remedied the defect pursuant to the Remedial Action as described in Section XII.A.1.d.
 4. Disputes over whether an event is a result of Extraordinary Circumstances, or any Remedial Action taken in response pursuant to this Section, shall be resolved in accordance with Section XII.B.
 5. Bank Sponsor and Property Owner are not entitled to termination of this BEI under Section XII.D as a result of Extraordinary Circumstances.

B. Dispute Resolution

The Parties agree to work together in good faith to resolve disputes concerning this BEI. Unless a Party has initiated legal action in connection

with the particular dispute, any Party may elect (“Electing Party”) to employ an informal dispute resolution process whereby:

1. The Electing Party shall notify all other Parties to this BEI of the dispute through a Dispute Notice. The Dispute Notice shall identify the Parties against which the Electing Party is commencing the informal dispute resolution process (“Implicated Parties”), the position of the Electing Party (including, if applicable, the basis for contending that a violation has occurred), and the resolution the Electing Party proposes.
2. Each Implicated Party shall have 45 calendar days after receipt of the Dispute Notice (or such other time as the Parties may mutually agree) to respond to the electing Party. During this time, any Party to this BEI that received the Dispute Notice may seek clarification of the Dispute Notice.
3. Within 45 calendar days after each Implicated Party’s response was provided or due, whichever is later, the Electing Party and the Implicated Parties shall confer and negotiate in good faith toward a mutually satisfactory resolution, or shall establish a specific process and timetable to seek such resolution.
4. The dispute resolution process may be terminated by the Electing Party or any Implicated Party upon written notice to all other Parties to this BEI.

C. Conveyance of Bank or Bank Property or Other Interests

1. All transfers of any interest in the Bank Property are subject to the applicable provisions of the Conservation Easement.
2. Property Owner shall have the right to sell, assign, transfer or convey (each a “transfer”) its interest in the Bank Property at any time; provided, however, that any such transfer on or after the execution date of this BEI must be made in accordance with this BEI and the Conservation Easement, and shall be subject to prior written concurrence by the IRT and Bank Sponsor. Such concurrence shall be subject to the requirement that the transferee assumes and agrees in writing to observe and perform all of the Property Owner’s obligations pursuant to this BEI and the Conservation Easement. From and after the date of any transfer by Property Owner of its interest in the Bank Property in which the transferee has assumed and agreed in writing to observe and perform all of the transferor’s obligations pursuant to this BEI, the transferor shall have no further obligations hereunder and all references to Property Owner in this BEI shall thereafter refer to such transferee, except that the transferor’s liability for acts, omissions, or breaches occurring prior to the transfer shall survive the transfer. Any transfer of

the Property Owner's interest in the Bank Property made without the prior written concurrence of the IRT constitutes default pursuant to Section XII.E and the IRT may take action accordingly.

3. Bank Sponsor may sell or convey its interest in the Bank at any time, provided that no uncured event of default exists, Bank Sponsor is in full compliance with all requirements of this BEI (including all financial assurance requirements), and subject to the prior written approval of the IRT. If any of the financial assurances required under this BEI are not completely funded at the time the Bank Sponsor requests IRT approval of a sale or conveyance, then the IRT shall not approve such sale or conveyance unless and until either the current Bank Sponsor, or the proposed replacement Bank Sponsor, shall have provided all required financial assurances. In addition, prior to sale or conveyance, the Bank Sponsor shall provide to each member of the IRT a written agreement signed by the replacement Bank Sponsor, acceptable to the IRT in form and substance, in which the Bank Sponsor assigns to the replacement Bank Sponsor, and the replacement Bank Sponsor assumes and agrees to perform, all of the responsibilities and obligations of the Bank Sponsor under the BEI. Any such sale or conveyance made without the prior written concurrence of the IRT constitutes default pursuant to Section XII.E and the IRT may take action accordingly.

D. Modification and Termination of the BEI

1. Amendment and Modification
 - a. Prior to Bank closure, this BEI, including its Exhibits, may be amended or modified only with the written approval of the Parties, which approval may be withheld or denied. All amendments and modifications shall be fully set forth in a separate document signed by all Parties that shall be appended to this BEI.
 - b. After Bank closure, amendments or modifications to this BEI, including its Exhibits, which do not impact obligations of the Bank Sponsor under this BEI must be approved in writing by the Property Owner and the IRT, which approval may be withheld or denied. All amendments and modifications shall be fully set forth in a separate document signed by all required parties that shall be appended to this BEI.
 - c. At the request of the Bank Sponsor, the IRT may consider an amendment to the BEI to conform to an approved NCCP or HCP.

- d. Pursuant to Fish and Game Code § 1798.6(a), any person seeking to amend the Bank shall submit to CDFW, a complete Bank amendment package containing each of the original Bank agreement package documents, including any prior amendments, as well as any documents proposed to be amended or that would be affected by the proposed amendment, together with the applicable amendment fee.

2. Termination

- a. The Bank Sponsor and Property Owner may jointly withdraw the entire Bank Property and terminate this BEI at any time prior to the first Credit Transfer, provided that Waters of the U.S., Waters of the State, and other habitat values existing on the Bank Property prior to the initiation of any efforts to restore or enhance the Bank Property shall be preserved in a condition at least equal to that which existed prior to initiation of Bank establishment efforts, and as the Conservation Easement may require.
- b. In the event this BEI is terminated or the Bank is closed prior to the Transfer of all authorized Credits, any remaining Credits under this BEI shall be extinguished and will no longer be available for Transfer.
- c. The IRT may terminate this BEI if the Bank Sponsor or Property Owner sells or conveys the Bank or the Bank Property without the prior written concurrence of the IRT, as required by Section XII.C.
- d. USEPA, [insert appropriate agencies signing, but not providing credits: USACE, CDFW, USFWS, State Water Board, Regional Water Board, and NMFS] may terminate its participation upon 30 calendar days' written notice to all other Parties. This BEI shall continue in full force and effect as to the remaining Parties.
- e. The [insert appropriate agencies: USACE, CDFW, USFWS, State Water Board, Regional Water Board, and NMFS] may each terminate its participation in this BEI upon 30 calendar days' written notice to all other Parties, on the condition that each of the following has occurred:
 - i. Bank Sponsor or Property Owner has defaulted on one or more covenants, terms or conditions of this BEI.

- ii. Bank Sponsor and Property Owner, has each received notice of such default from the terminating IRT agency in accordance with Section XII.B, if applicable, and Section XII.K.
 - iii. Bank Sponsor or Property Owner, as applicable, has failed to cure its default to the satisfaction of the terminating IRT agency.
- f. If any member of the IRT so requests, the member(s) of the IRT proposing to terminate participation in the BEI agree to meet with the other IRT members to discuss the reason(s) for such termination, prior to the termination taking effect. Notice of a request for such meeting shall be made by the requesting IRT member(s) not later than 15 calendar days from receipt of the notice of termination.
- g. Termination by any member of the IRT from this BEI shall not terminate this BEI or affect the relationship between the remaining members of the IRT, toward each other or the Bank Sponsor or Property Owner, under this BEI. Remaining Credits under the authority of the terminating agency will no longer be available for Transfer. Consistent with Section VIII.E.1., in the event [Choose one, as applicable: CDFW or USACE], as the holder of the Construction Security, Interim Management Security, and Performance Security, terminates its participation in this BEI, the Bank Sponsor shall provide replacement Construction Security, Interim Management Security, and Performance Security in the amount specified in this BEI within 20 calendar days' after receiving written notice of termination from [Choose one, as applicable: CDFW or USACE]. In the event the remaining members of the IRT are unable to hold the Construction Security, Interim Management Security, and Performance Security specified in Section VI, the remaining parties agree to modify the BEI to name a third party holder of each of these securities.
- h. In the event termination is commenced, the Bank Sponsor agrees to fulfill its pre-existing obligations to perform all establishment, monitoring, maintenance, management, and remediation responsibilities that arise directly from Credits that were transferred at the time of termination.
- i. Nothing in this Section is intended or shall be construed to limit the legal or equitable remedies (including specific performance and injunctive relief) available to the USACE, CDFW, NMFS, State Water Board, Regional Water Board, and USFWS in the event of default by Bank Sponsor and/or Property Owner.

E. Default

The Bank Sponsor and/or Property Owner shall be in default if that party fails to observe or perform any obligations or responsibilities required of it by this BEI. In the event of default, the IRT shall issue a notice of default to Bank Sponsor and/or Property Owner, which includes direction and specified time period to cure the default. If the Bank Sponsor and/or Property Owner fails to remedy the default within the allotted time, the IRT will take appropriate action, which includes but is not limited to, suspending Credit Transfers, reducing available Credits, utilizing financial assurances, and terminating the BEI. This Section shall not be construed to modify or limit any specific right, remedy, or procedure in any Section of this BEI or any remedy available under applicable State and/or Federal Law.

F. Controlling Language

The Parties intend the provisions of this BEI and each of the documents incorporated by reference in it to be consistent with each other, and for each document to be binding in accordance with its terms. No alteration or variation of this instrument shall be valid or binding unless contained in a written amendment in accordance with Section XII.D.1. Each of the Parties acknowledges that no representation, inducement, promise or agreement, oral or otherwise, has been made by any of the other Parties or anyone acting on behalf of any of the Parties unless the same has been embodied herein.

H. Reasonableness and Good Faith

Except as specifically limited elsewhere in this BEI, whenever this BEI requires a Party to give its consent or approval to any action on the part of the other, such consent or approval shall not be unreasonably withheld or delayed. If the Party disagrees with any determination covered by this provision and reasonably requests the reasons for that determination, the determining Party shall furnish its reasons in writing and in reasonable detail within 30 calendar days following the request.

I. Successors and Assigns

This BEI and each of its covenants and conditions shall be binding on and shall inure to the benefit of the Parties and their respective successors and assigns subject to the limitations on transfer set forth in this BEI.

USACE approval of this BEI constitutes the regulatory approval required for the Mitigation Bank to be used to provide compensatory mitigation for Department of Army permits pursuant to 33 C.F.R. § 332.8(a)(1). This BEI is not a contract between the Bank Sponsor or Property Owner and USACE or any other agency of the Federal government. Any dispute arising under this BEI will not give rise to any claim by the Bank Sponsor or Property Owner for monetary damages. This provision is controlling notwithstanding any other provision or statement in the BEI to the contrary.

R. CDFW Remedies

CDFW is entering into this BEI in its own right and not as the agent or representative of any other entity, including without limitation the IRT or any other member of the IRT. If CDFW defaults in the performance of any of its obligations under this BEI, Bank Sponsor and Property Owner will have the right to seek, subject to the limitations set forth below, damages or specific performance as provided by law as the exclusive remedy for such defaults.

Despite the foregoing, Bank Sponsor and Property Owner each hereby waives:

1. Any right to receive consequential or punitive damages against CDFW or any officer, employee, agent or representative of CDFW; and
2. Any right to seek specific performance against CDFW based on a dispute relating to any CDFW decisions, made either independently or as a member of the IRT, directly related to Credits for Covered Species and Covered Habitat creation or preservation under the jurisdiction of CDFW, including but not limited to decisions under Sections VII.C (Covered Species and Covered Habitat Credit Release), VIII.B (Transfer of Credits), XII.A (Extraordinary Circumstances), and XII.E (Default) of this BEI. This waiver shall not preclude Bank Sponsor or Property

Owner from the recovery of any compensatory damages directly related to CDFW decisions regarding Credits for Covered Species and Covered Habitat creation or preservation provided for in the BEI, which Credits are under the sole jurisdiction of CDFW.

3. Recovery of damages due to a default by CDFW will only be available after CDFW and the Bank Owner or Property Owner have undergone informal dispute resolution as specified in Section XII.B of this BEI.
